Section 7 - (General Information)

A permit issued pursuant to GS 160A-417 expires six months, or any lesser time fixed by ordinance of the Town, after the date of issuance if the work authorized by the permit has not commenced. If after commencement the work is discontinued for a period of 12 months, the permit therefore immediately expires. No work authorized by a permit that has expired may thereafter be performed until a new permit has been secured. GS 160A-418

Therefore, the following fees will be charged for permits that are allowed to expire:

(Permit expiring after six months)

A new, second permit will be issued within six months of the expiration date of the first permit with a minimum fee of \$60.

Time that lapses beyond six months of the expiration date will require the full amount of fees to be charged

(Permit expiring after 12 months from last inspection performed)

A new, second permit will be issued with the full amount of fees being charged
