

## Waxhaw Announces New Waste and Recycling Schedule

The Town of Waxhaw will have a new waste and recycling schedule effective November 29th, 2021. The schedule will move garbage and recycling pick-ups from three days a week to five and yard waste pick-ups from Tuesdays to the day of trash pickup. These changes come to accommodate the significant growth of the town.

Waxhaw residents will also now have the option for bulk item pick-up through WastePro every other week, but residents must call to be added to the bi-weekly route list. Residents can have bulk items picked up on their scheduled week by calling WastePro at 980-296-1126.

These changes only impact residents of the Town of Waxhaw who have trash and recycling service billed through their annual property tax bill. Scan the QR code or check here to see if your home falls within the Town of Waxhaw's limits:
